Professional Employment Experience

- Since 1999 **Principal, Tom Lang Communications and Training International.** Consult with a variety of domestic and international clients in the areas of scientific publications, critical appraisal of scientific research, statistical reporting, communication and document design, and on-line and on-site training in medical writing and editing.
- 1998 to 1999 **Senior Scientific Writer, Division of Clinical Care Research, New England Medical Center, Boston, Massachusetts.** Wrote evidence-based reports for the Evidence-based Practice Center and the New England Cochrane Center. Taught a yearlong post-graduate course in medical writing and scientific publications.
- 1990 to 1998 **Manager, Medical Editing Services, Department of Scientific Publications, The Cleveland Clinic, Cleveland, Ohio.** Wrote and edited scientific manuscripts; taught medical writing. Hired, trained, and supervised 2 entry-level medical editors; supervised 2 undergraduate and 5 international post-doctorate medical writing interns.
- 1984 to 1990 **Senior Grants Officer, Office of Sponsored Projects, California State University Chico, Chico, California.** Assisted faculty in all pre-award aspects of proposal development, including project development, budgeting, and evaluation.
- 1982 to 1984 **Medical Writer, Loma Linda University Medical Center, Loma Linda, California.** Edited articles for publication in scientific journals; designed publications and exhibits; presented workshops on communication.
- 1978 to 1982 **Independent Medical Writer.** Co-authored a college text on personal health; wrote grants and project evaluation reports.
- 1977 to 1978 **Assistant to the Dean, Graduate School, California State University Chico, Chico, California.** Wrote evaluation reports and developed proposals.
- 1976 to 1977 **Normal In-patient Volunteer for Medical Research, National Institutes of Health, and Graphic Arts Intern, National Library of Medicine, Bethesda, Maryland**
- 1975 to 1976 **Technical Writer/Editor, Lawrence Livermore Laboratory, Livermore, California.** Edited scientific articles for publication in professional journals.

Education

- 1988 **Master's Degree in Communication Management,** Annenberg School for Communications, University of Southern California. Emphasis on written, scientific, and organizational communication.
- 1973 **Bachelor's Degree in Social Science,** breadth concentration, California State University, Chico. Graduated *magna cum laude*, fourth in a class of 650. Minor in African Studies. Postgraduate courses in anthropology, psychology, sociology, and elementary education.

Publications: Books, Chapters, and Monographs

◆ Altman DG, Schulz KF, Moher D, Egger M, Davidoff F, Elbourne D, Gøtzsche PC, Lang TA, for the CONSORT Group. **The revised CONSORT statement for reporting randomized trials: explanation and elaboration.** Ann Intern Med 2001;134:663-94.

◆ Altman DG, Schulz KF, Moher D, Egger M, Davidoff F, Elbourne D, Gøtzsche PC, Lang TA, for the CONSORT Group. **The CONSORT statement: revised recommendations for improving the quality of parallel-group randomized trials.** Ann Intern Med 2001;134:657-62; Lancet 2001;357:1191-4; JAMA 2001;285:1987-91.

Lau J, Ioannidis JP, Balk E, Milch C, Chew P, Terrin N, Lang TA, Salem D, Wong JB. **Evaluation of technologies for identifying acute cardiac ischemia in emergency departments.** Evid Rep Technol Assess 2000;26:1-4.

Lang T. Masking or blinding? **An unscientific survey of mostly medical journal editors on the great debate. (A Not Brief Enough Report)** [serial online] Med Gen Med March 13, 2000. [Invited article]

Lang T. **Medical writing: where it's been, where it's going.** AMWA Journal 2000;15:9-12.

Lang T. **A curriculum for biomedical writing and editing.** CBE Views 1999;22(1):3-5.

Lang T. **CONSORTing with a QUOROM of MOOSES: what it takes to report medical research.** AMWA J 1997;12(3):2-5.

◆ Lang T. **Assessing the productivity and value of a hospital-based medical editing service.** AMWA J 1997; 12(1):6-14.

◆ Lang T. **Physical and processing characteristics of manuscripts submitted for author's editing.** CBE Views. 1996;19(5):111-5.

Lang T. **Why medical writers should learn about statistics: the n's do justify the means.** AMWA J 1994;9(2):45-50.

Lang T. **Medical journals: an overview of the industry.** AMWA J 1989;4(2):26-32.

Lang T. **The effects of word processing on the writing process.** AMWA J 1989;4(4):14-7.

Lang T. **The technology of writing: a brief history of the alphabet.** AMWA J 1988;3(4):8-12.

Lang T. **A technical writing laboratory: the puzzle exercise.** Tech Writing Teach 1988;25(2):132-7.

◆ Lang T. **Technical writing is not one of the humanities.** AMWA J 1987;2(5):3-8.

Lang T. **Conveying movement in print: how to present martial arts techniques in photographs and text.** J Asian Martial Arts 2008;17:38-53.

◆ Lang T. **Katsu: traditional Japanese resuscitation techniques.** Ann Emerg Med 1984;1:40-4.

Other Interviews, Publications, and Presentations

Presentation titled "Getting Published: summarized in an article of the same title in *The DO*, a publication of the American Osteopathic Association 2006;47:28-36.

Interviewed for an article on the risks and benefits of clinical trials in the Indian journal, **Clinical Quest: Spotlight on Drug Development** 2004;1:13-20.

◆ Interviewed by the journal, *Nature*, for an article on statistical errors in the scientific literature. May 26, 2004.

Interviewed for an article in the Japanese journal, *Medical Writing* for the Department, Meet the Author: How to Report Statistics in Medicine. Medical Writing 2001;9:17-21.

Interviewed for an article about the University of Chicago's Medical Writing and Editing Certificate Program. **Chicago Magazine** 2001; Aug: 68-70.

Interviewed for an article on statistical reporting titled: *Vital Statistics*, by Linda Wasmer Smith. **Reaction Times** 1995; Nov: 9-14.

Interviewed for an article titled: *Can Your Patients Read What You Give Them?* **Patient Education Newsletter** 1994;1(1):1-2,7. Atlanta: Pritchertt & Hull Associates, Inc.

Interviewed for an article titled: *Write Within the Writers Context. Writing Concepts: The Business Communications Report* 1995; 6(5):3-4. Springfield, VA: Writing Concepts, Inc.

Lang T, editor. *Masters Theses, Papers, & Projects: Guide to Style and Format*. The Graduate School, CSU Chico, 1980.

◆ Lang T. *The Rural Clinical Nurse Placement Project: A Report to the Legislature and The Rural Clinical Nursing Option: An Implementation Manual*. Rural Clinical Nurse Placement Project, CSU Chico, 1980.

Lang T, editor. *The Final Report of the Rural Drug Needs Assessment Project and The Executive Summary of the Final Report of the Rural Drug Needs Assessment Project*. Human Services Center, CSU Chico, 1979.

Lang T. **Experimentally induced conformity**. Paper presented to the Western Psychological Association Conference for Undergraduate Research, Santa Clara, CA, May 1973.

Invited Presentations, International

- | | |
|------------------|---|
| 2010 | European Statistical Forum, Verona, Italy. Invited presentation on statistical errors in the scientific literature |
| 2010 | Peking Union Medical College, Beijing, China. Consultation with vascular surgery group on scientific publications |
| 2010 | Cactus Communications/Editage, Tokyo, Japan. Day-long course on preparing scientific publications |
| 2009, 2010 | Novartis Pharmaceuticals, Bangkok, Thailand. Day-long course for physicians on preparing scientific publications |
| 2009 | Cactus Communications, Mumbai, India. Weeklong training of more than 40 medical and technical editors |
| 2009 | World Health Organization, Geneva, Switzerland. Led a 2-day training course on statistical reporting to epidemiologists and public health professionals |
| 2009 | Third Military Medical University, Chongqing, China. Visiting Scholar. 2 weeks of lectures to undergraduate and graduate physicians, medical English teachers, and editorial board members of the University's journal |
| 2008 | National Center for Science and Industrial Research, Lusaka, Zambia. 2 weeks of lectures to scientists and physicians from several southern African countries on scientific and technical communication. Sponsored by AuthorAid. |
| 2008, 2010 | Sun Yat-sen University, Guangzhou, China. Lectures to physicians, researchers, and medical students on scientific publications |
| 2008, 2009 | St. Lukes Hospital, Tokyo, Japan. Lectures to staff physicians on scientific publications |
| 2007 | American Orthopedic Society for Sports Medicine Annual Meeting, Calgary, Canada, "Statistical Errors Even YOU can Find." |
| 2006 | Charlesworth China, Beijing. 4-day training to editorial staffs of more than 50 Chinese scientific journals published in English. |
| 2006, 2009, 2010 | Peking University International Health Sciences Center. Several 3-hour lectures to physicians, researchers, and medical students |

Current as of January 22, 2011

| | |
|---|---|
| 2006, 2009 | Tsukuba University, Tsukuba Japan. Lecture and consulting on training science students in scientific communication and publications. |
| Annually 2005-2010 | Sichuan University/West China University of Medical Science, Chengdu, China. lectures and classes directed to medical students and researchers in biological sciences |
| 2005, 2007 | Chinese Cochrane Center and West China Medical School, Sichuan University, Chengdu, China. Lectures on scientific publishing and medical writing. |
| 2005 | Centre for Statistics in Medicine, Oxford University, Oxford, United Kingdom. Day-long course on writing the statistical consulting report. |
| 2005, 2007 | Japanese Medical Communicators Association. Lectures on writing patient education handouts and reporting clinical trails |
| 2004 | Seth G. S. Medical College/King Edward Memorial Hospital, Mumbai (Bombay), India. Presentations at the 50 th Anniversary Conference of the Journal of Postgraduate medicine. |
| 1996, 1998, 2002, 2004 | Visiting Scholar, Beijing Medical University. One of two instructors recruited by the China Medical Board to teach Chinese physicians and researchers about publishing in English-language biomedical journals. |
| 2004 | Central South China University, Xiang Ya Hospital, Changsha, China. Lectures on how to publish in Western scientific journals |
| 2005 | Fudan University Children's Hospital, Shanghai, China. Lectures on how to publish in Western scientific journals |
| 2003 | Japanese Medical Communicators Association, Tokyo, Japan. Educating medical writers |
| 2002 | Fourth Military Medical University Hospital, Xian, PR China; Fudan University, Shanghai, PR China; Peking University Medical College, Beijing, PD China. "Publishing in Western journals." |
| 2000, 2001 | Drug Information Association, Tokyo, Japan. Presentations on statistical reporting and the training of medical writers and editors |
| Annually, since 2001 | Japanese Union of Scientists and Engineers (JUSE), Tokyo, Japan. Annual training course in scientific publications, medical writing, and critical appraisal of research |
| Annually since 2001 | Medical Interpreters and Translators Association, Tokyo, Japan. Annual lectures on medical writing and editing, statistical reporting, and training medical writers |
| 1998 | Japanese Medical Writers [Journalists] Association, Tokyo, Japan. Reporting Statistics |
| 1998 | China Medical University, Shenyang, China. Lectures on medical writing |
| 1998 | Peking Union Medical College, Beijing, China. Lectures on medical writing |
| 1996, 1997, 1998, 2002, 2003, 2004, 2008, 2011 | European Medical Writers Association, annual conferences in Berlin, Edinburgh, Madrid, Prague, Lisbon, Budapest, and Barcelona <ul style="list-style-type: none"> • Biostatistics for Medical Writers and Editors • Reporting Correlation and Regression Analyses • Reporting Biomedical Research: The Scientific Article |

- Improving Comprehension: Theories and Research Findings
- Reporting Clinical Trials

1994, 1995,
1997

The Canadian Royal College of Physicians and Surgeons, annual conferences in Toronto, Montreal, and Vancouver

- Biostatistics for Medical Writers and Editors
- Reporting Biomedical Research: The Scientific Article
- Reporting Clinical Trials

Invited Presentations, Domestic

2010

The International League Against Epilepsy, San Antonio, Texas. Four-hour presentation to the editorial board and reviewers of *Epilepsia* on reviewing articles for publication in the journal.

2007

Veterinary Journal Editors Group, American Veterinary Medical Association Annual Conference, Washington, DC, “Statistical Errors Even YOU can Find.”

2007

The Cleveland Clinic Lerner School of Medicine at Case Western Reserve University, several presentations on scientific publications and medical writing

2006

Association of Health Care Journalists Annual Meeting, Los Angeles, Twenty Statistical Errors Even YOU Can Find.

2005 and 2006

American Osteopathic Association, Council on Research, Conference presentations in Birmingham, AL, Tulsa, OK, and Las Vegas, NV.

1999 to 2004

American Statistical Association, annual meetings: “Communicating with Nonstatisticians, 4- and 8-hour workshops

2001 to 204

American Public Health Association, annual meeting. Continuing Education course on critical appraisal of biomedical and public health research

2002

Centers for Disease Control and Prevention, Atlanta Georgia. “Critical appraisal of the biomedical literature.” Video broadcast to 3 remote sites.

2000

National Council of Teachers of English, Milwaukee, WI. Scientific Writing

1996

American Academy of Optometry, Annual Research Symposium. Writing Scientific Articles

Since 1996

Council of Science Editors, annual conferences

- Instructor, Short Course, Statistics for Journal Editors, on-going
- Instructor, first 3 Short Courses for New Manuscript Editors
- Ten Common Statistical Reporting Errors; four presentations
- Discussant, Is There Evidence of Quality in the Scientific Literature?
- Discussant, Value Added and Productivity Measures in Medical Writing
- Moderator, What Editors Need to Know about Industry-Sponsored Research
- Presenter, Observations on Instructions for Authors
- Presenter, How Are Nonnative English-Speaking Authors Coping with Requirements to Publish in English-Language Journals?

Since 1986

American Medical Writers Association. More than 175, 3-hour Core and Advanced workshops presented at national and regional conferences:

- Biostatistics for Medical Writers and Editors (required)

- Reporting Correlation and Regression Analyses (required)
 - Preparing Biomedical Research Articles (required)
 - Reporting Measures of Risk
 - Critical Appraisal of Clinical Research Articles
 - Reporting Clinical Trials (Advanced Curriculum)
 - Reporting Diagnostic Test Characteristics (Advanced Curriculum)
 - Improving Comprehension: Theories and Research Findings (required)
 - Preparing Patient Education Handouts
 - Preparing Tables and Graphs
 - Institutional Pandering: What Writers Need to Know about Grantsmanship
 - Mentor-guided Analytical Thinking (MAT)
- 1992 **The 1992 Nutrition Conference**, a continuing education course sponsored by The Cleveland Clinic Foundation; “Dr. Frankenstein, Science, and YOU”
- 1990 **Midwest Pediatric Gut Club**, “Developing Patient Education Handouts”
- 1989, 1990 **Society for Technical Communication** (Writer in the Workplace Conference, Sacramento, California)
- Writing for Informavores: Applications of Information Theory to Technical Communication
 - Meaning, Sound, and Symbol: The Alphabet, Before and Beyond
 - Seven Reasons for Writing in Circles: From Message to Meaning in Written Communication
- 1986 **American Society for Clinical Hypnosis**, annual conference, Seattle, Washington: “Medical Writing: Strategies and Skills”
- 1983 **Loma Linda University Medical Center**, “Coping With Stress. A 4-hour workshop presented to the Department of Respiratory Care. Ten presentations.
- 1980 **California State University, Chico**
- Publishing in Professional Journals. Professional development seminar presented to the faculty at CSU Chico, January 1980.
 - Rape: A Model for Prevention. Keynote address presented at the Northern California Rape Prevention Conference, Chico, CA, June 1980.

Professional Activities

- 2010 **Medical Editor in Residence, Texas A&M University**, July, 2010. Assisted in training a group of Mexican scholars in preparing their research for publication; gave open lectures on medical writing and scientific publications.
- 2009 **Peer Reviewer**, *Indian Journal of Medical Science*
- Since 2008 **Consultant on statistical reporting**, *Epilepsia*
- 2006 **Editor**, chapters on reporting statistics and on preparing tables, in *Scientific Style and Format*, 7th Edition. Council of Science Editors, 2006.
- 2006 **Peer Reviewer**, *The Science Editor*, the journal of the Council of Science Editors
- 2005 **Peer Reviewer**, *Journal of Pediatric Gastroenterology & Nutrition*

| | |
|---------------|--|
| 2005 | Consultant on statistical reporting , <i>Journal of Foot and Ankle Surgery</i> |
| 2005 | Member, QUOROM (Now PRISMA) Group on reporting systematic reviews of randomized controlled trials. |
| Since 2002 | Peer Reviewer , <i>American Medical Writers Association Journal</i> |
| 2001 | Peer Reviewer , <i>Annals of Internal Medicine</i> |
| 2000, 2002 | LearnStat Workshop Program , American Statistical Association. |
| 2000 | Peer Reviewer , <i>Annals of Emergency Medicine</i> |
| 1999 | Chair, Program Committee , 2000 CBE Annual Conference |
| Since 1998 | Member, Consolidated Standards on Reporting Trials (CONSORT) group , a reporting guideline development group |
| 1997 | Member, Meta-analysis Of Observational Studies in Epidemiology (MOOSE) , a reporting guideline development group |
| 1988 | Reviewer, two chapters of the <i>AMA Manual of Style, 9th Edition</i> (reporting original research and reporting statistical information) |
| 1994 to 1996 | Chair, Long-Range Planning Committee , American Medical Writers Association. Managed the development of a 5-year plan for the Association. |
| 1995 and 1996 | Peer Reviewer , <i>Cleveland Clinic Journal of Medicine</i> |
| 1994 | Member, Asilomar Working Group on Recommendations for Reporting Clinical Trials in the Biomedical Literature . See: <i>Annals of Internal Medicine</i> 1994; 121(11):894-5 and 1996;124(8):741-3. |
| 1993 to 1994 | Chair, Health Education Materials Committee , The Cleveland Clinic Foundation. Evaluated the production and use of patient education materials. |
| 1990 | As President of the Ohio Valley Chapter of the American Medical Writers Association, established the Deer Creek Conference , an annual professional development retreat. Organized the 1992 and 1993 Conferences. |
| 1991 | Helped establish the Educators Section of the American Medical Writers Association . Organized the first plenary session for the Annual Conference. |
| 1990 to 1993 | Served as Content Specialist to review the core curriculum workshops for the Editors Section of the American Medical Writers Association. |

Consulting and Training Activities

| | |
|--------------|---|
| 2001 | Systematic review of the literature on the clinical implications of nurse-to-patient ratios , for the University of California, Davis, Center for Health Services Research in Primary Care. Report to the State of California. |
| 2001 to 2004 | Helped to structure the Core Curriculum of the American College of Medical Quality |
| Since 1993 | Provided training and consulting services in medical writing to several clients: |

- **Advanstar**, a medical publishing company
- **Amgen, Inc.**, a biotechnology company
- **American College of Rheumatology**
- **American College of Osteopathy**
- **Archives of Physical Medicine and Rehabilitation**
- **Astrolabe Analytica**, a medical communications company
- **Barnett International**, a pharmaceutical training company
- **Besselaar Associates**, a contract research organization
- **Cell Genesys**, a biotechnology company
- **Centers for Disease Control and Prevention**
- **Centocor**, a pharmaceutical company
- **Charlesworth China**, a journal production company
- **ClinTrials Research, Inc.** a contract research organization
- **Complete Healthcare Communications**, a medical communications company
- **BioScience Communications**, a medical communications company
- **Eli Lilly, Inc.**, a pharmaceutical company
- **Ethicon Endo-Surgery**, a medical device company
- **FHP**, a large health-maintenance organization
- **Genentech**, a biotechnology company
- **Glaxo Smith-Klein**, a pharmaceutical company
- **Hoffmann-La Roche**, a pharmaceutical company
- **Life Sciences Publishing** (Tokyo Japan)
- **Massachusetts Medical Society**
- **Medical Economics**, a medical publishing company
- **Merck & Co., Inc.**, a pharmaceutical company
- **MicroMedix**, a medical publishing company
- **Neurocontrol Corporation**, a medical device company
- **New England Journal of Medicine**
- **Palladian Partners**, a scientific editing company
- **Paraspinal Corporation**, a medical device company
- **PCS Health Systems**, a formulary management company
- **Peloton Advantage**, a communications company
- **Pharmaceutical Training International**, a pharmaceutical training company
- **Pharmacia Corporation**
- **PKC Corporation**, a medical software company
- **Postgraduate Medicine**
- **ProED Communications, Inc.**, a medical communications company
- **Ross Laboratories**, a therapeutic nutrition company
- **G. D. Searle & Co.**, a pharmaceutical company
- **Slack, Inc.**, a medical publishing company
- **Solvay Pharmaceuticals**, a pharmaceutical company
- **Takeda Pharmaceuticals**, a pharmaceutical company
- **TAP Pharmaceuticals**, a pharmaceutical company
- **University of California, Davis: Departments of Pain Management, Outcomes Research, Informatics, Telemedicine**
- **University of Medicine and Dentistry of New Jersey**, a pharmaceutical company
- **Writers, Inc.**, a medical communications company

- 1989 Advised **Butte County Alcohol and Drug Services** in the design and preparation of a regional, interdisciplinary proposal to coordinate perinatal substance abuse treatment services.
- 1989 Evaluated the American Chemical Society's multimedia technical writing course for adoption by the **NASA Lewis Research Center**, Cleveland, OH.
- 1983 Thirty chapters of *Operative Hand Surgery*, the leading reference for hand surgeons, edited for **Dr. Virchel Wood, Chief, Hand Section, Department of Orthopedic Surgery, Loma Linda University Medical Center**, Loma Linda, CA.
